Roy,
Can you please add Randy Pennell, rpennell@ap.org, and the Philadelphia bureau email address, phillyap@ap.org, to your email when you alert me about the results? I will be on vacation starting tomorrow, returning April 11, and want to be sure we get the news in a timely fashion. I've told Randy, a staffer in Philadelphia, that new Dimock results may be coming.
Thanks,
Mike

Michael -- Just a quick heads up that EPA is currently sharing with residents the latest set of sampling data at private drinking water wells in Dimock and will release the sampling data publicly once all residents have been notified. We will let you know when more information is available.
